How did you hear about Grant Property?

What were / are your investment aims?

A secure income with property/capital growth.

How many properties do you now own?

Thinking back, what was the one single thing that made you decide to invest with GP?

Because they provide an all-round and complete service.
There are some extra charges - charge per tenant re lease and commission is full, but everything is sorted for me with the least of fuss. GM also achieves a good return/rent so does offset extras.

Are you thinking of investing again?

Would you refer GP to friends /colleagues?
