Peter Moss – GP Ambassador

Thinking back, what was the one single thing that made you decide to invest with GP?

A friend recommended them to us and we met with some reps when they visited Hong Kong. The timing worked for us and we had the funds available for the initial payments. As Canadians living in Hong Kong, we were worried about the difficulties of investing in UK property. The team at Grant Property made this whole process extremely easy. They put us in touch with mortgage agents, solicitors and helped assisted with opening a UK bank account. Without their help, we never would have been able to purchase our flat.

Are you thinking of investing again?

Yes

Would you refer GP to friends /colleagues?

Yes

How can GP improve in your eyes?

We had a few questions about non-residents and non-citizens and taxes and they didn't seem to know how the rules were different. In their defence, they did put us in touch with tax professionals that could answer our questions though.
