

Health Check Case Study

Name

G.M.

City

Prague

Country

The Czech Republic

Why did you first invest with Grant Property?

Had some money, company was sold and earned some from it. Investing in property is a better return than in a bank plus you get rental income, so it made sense.

What were you able to do because of the health check?

Bought one more property as expectations were met, perceived value growth, and rents expected were delivered.
