Thinking back, what was the one single thing that made you decide to invest with GP?

It was the right opportunity at the right time and it suited as living overseas, co ordinating sourcing, renovating, managing was not something there was time to do independently.

How can GP improve in your eyes?

It would be great to have just one point of contact as sometimes there are too many people contacting me at any one time. An annual tax summary at year end as an over and above to our monthly statements would be very helpful.

### Our feedback

Thanks for your feedback Stephen, we do offer a one point of contact service and we can also send annual statements. We will set both up for you.
