Thinking back, what was the one single thing that made you decide to invest with GP?

Needed trusted partner to handle LL UK based activity given my expectation to be located outside the UK until retirement. GP offers a unique business proposition, offering a soup to nuts service, from researching viable properties, purchase and renovation, to management. This would be next to impossible from abroad, and you can't buy the reassurance of knowing you have a trusted partner overseeing the entire process for your behalf to such high standards. Except, thankfully you can! Through Grant Property.

Are you thinking of investing again?

No

Would you refer GP to friends /colleagues?

Yes

Star rating out of 5 (5=good)

How can GP improve in your eyes?

Once been through whole thing I may have more feedback...possibly more brand awareness overseas.
